Sir:

In response to the Office Action dated June 30, 2004, reconsideration is requested based on the following remarks.

REMARKS

Claims 1-7 are all the claims pending in the application.

I. Allowable Subject Matter

The Examiner has indicated that claims 3 and 5-7 contain allowable subject matter and would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Applicant requests that the Examiner hold rewriting claims 3 and 5-7 in abeyance until the rejection of the parent claim has been reconsidered.
